

OLLI at DU West Syllabus – Spring 2024

Journeys, Learning Thru Travel

8 weeks - Online

Facilitator: Barb Werren

Week 1. Antarctica: My second trip! Instead of 4 days crossing some of the roughest water in the world, the Drake Passage, we fly over it!

Week 2. Bike and Barge: From Brussels to Amsterdam with the Over the Hill Gang!

Week 3. Portugal and Spain: With OAT, staying in the elegant Pousadas and Paradores, formerly castles, palaces, and monasteries.

Week 4. Potpourri of trips near and far: Facilitator's Choice!

Week 5. Brazil: Rio and Salvador, Amazon cruise, and Pantanal wetlands with pre- and post- trips to Chile's Atacama Desert and Argentina's Iguassu Falls.

Week 6. Japan: The country I'd most like to re-visit! We were there for cherry-blossom time! I'd love to see it with fall color!

Week 7. River Cruise, Budapest to the Black Sea: Visit Hungary, Croatia, Serbia, Bulgaria, and Romania with Grand Circle Travel (OAT's parent company).

Week 8. Baltic Capitals: Are these 3 precious little countries endangered by their voracious next-door neighbor?
