

OLLI at DU Central Syllabus –Fall 2024

NDEs/Near Death Experiences and Lots More; Stunning Reports from Decades of Research – Subject Area Health and Wellness

Wednesday Afternoons Online; Six weeks

Instructor: Maria Arapakis

1. **SUMMARIZE YOUR COURSE**

With presentations, select videos, and discussion, participants are brought up to date with what has been learned and is being learned from 50+ years of research and discovery on these phenomena.

2. **BRIEF COURSE OUTLINE ORGANIZED BY CLASS SESSION:**

Session 1: “N.D.E.s”: So, what’s all the fuss about?

Session 2: “N.O.E.s”: When there is simply “No Other Explanation”

Session 3: Evidentiary Mediums: Proven communications with those who have died

Session 4: Life BEFORE Life: Confirmation of reincarnation from toddlers

Session 5: 50 years later: Raymond Moody is now convinced

Session 6: So What? What difference does all this make to you and me?
